Memory: 128 MB RAM

Graphics: DirectX compatible card

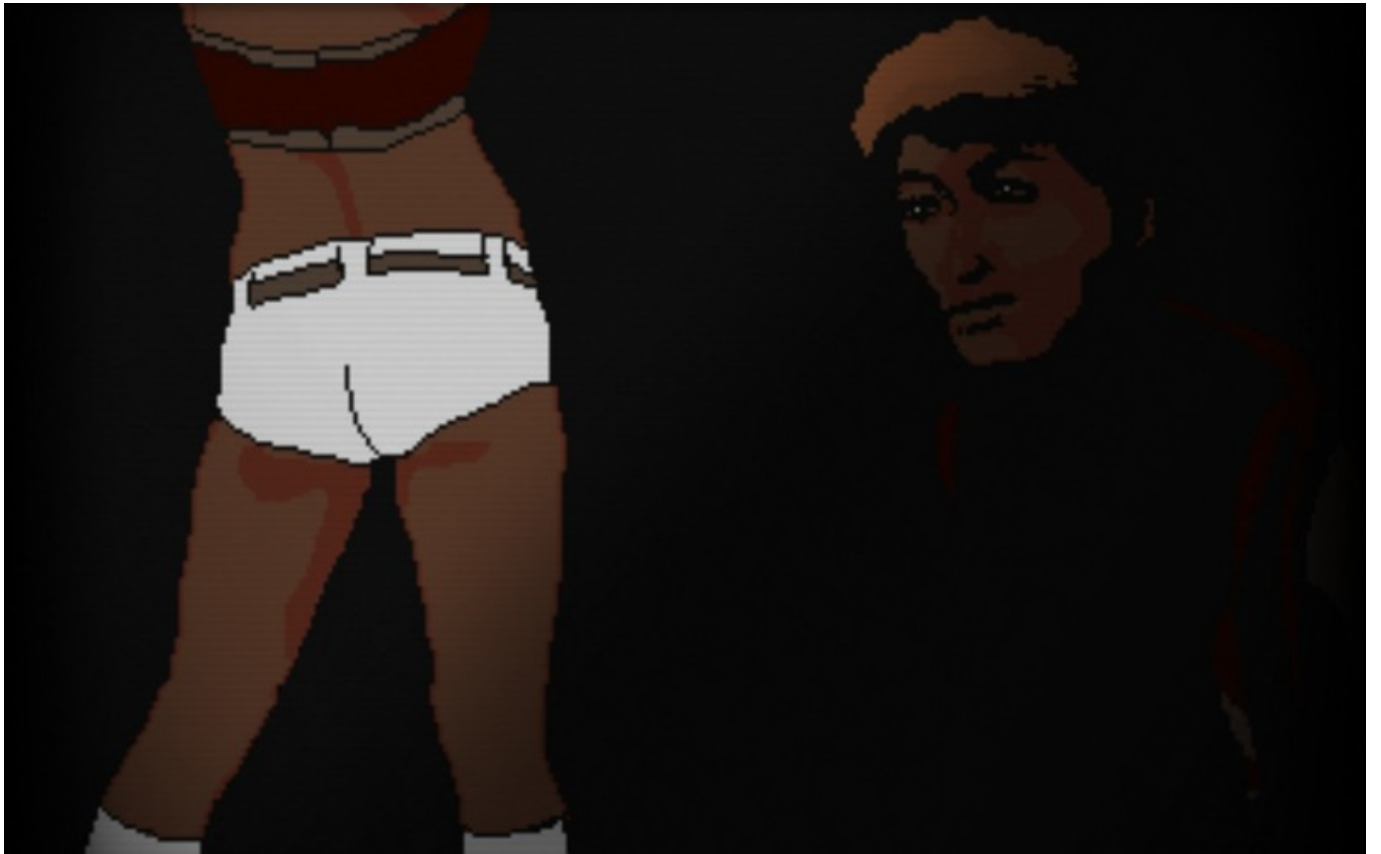

Storage: 300 MB available space

Sound Card: DirectX compatible sound card

English

Very well worth the price, but the MP3 quality should be higher than 128k for a paid soundtrack. FLAC would have been nice as well. The music is a major part of what makes this game special, and several of the tracks work just as well on their own. The tracks "Forever" and "Hold Me" alone make this worth the purchase price.. Perfect game, perfect soundtrack.
